

ISyE 7406 Class Project Peer Evaluation

NAME: _____

DATE: _____

A. Suppose your team is just given \$1,000 per person for work performed on this project, i.e., a 2-person team receives \$2,000, a 3-person team receives \$3,000, etc. Redistribute this sum to the members of your team (including yourself) based on your overall assessment of the total value of work (amount and quality) each member has contributed to the project from the beginning until now.

Name	Amount

B. Provide a brief, candid explanation of your overall assessment in Part A.

The Georgia Tech Honor Code requires that you fill out this form truthfully.

Sign here to verify that your answers represent the truth, the whole truth, and nothing but the truth:
